" You are in your own little world. "

*I feel that the world little ones see is full of little happinesses, adventures,
and discoveries that we tend to take for granted as we grow older.
Dressed like a fairy tale princess, I live in my own little world.
But it's okay. They know me here.*

FS Collection

A fashion show is held every year at the college festival. We design and make the clothes ourselves, put them on models and show them off there. Take a look at the designs in the 2022-2023 fashion show!
